- 1 pinch salt
- Egg

Red Berry Pudding with Vanilla Sauce

Rote Grütze mit Vanillesoße

In recent decades, this pudding went from an old-fashioned dessert to a culinary blockbuster. Although recipes vary greatly, almost all of them call for red currants, which are much more popular in Germany than in North America, where they can be difficult to find. The other fruits - raspberries, cherries, blackberries, strawberries, or blueberries - depend on the individual taste, but there is one rule of thumb: you should include at least one tart fruit. There are also several ways to top Rote Grütze: with vanilla sauce, whipped cream, cream, vanilla ice cream, cream of wheat/semolina pudding or just milk.

AnnenMayKantereit. Even if this band name sounds a bit complicated at first, it's actually really easy to explain its source: The pseudonym of these three musicians from Cologne results from putting the three band members' names together - Christopher ANNEN plays the guitar and harmonica, Henning MAY sings and plays the piano and Severin KANTEREIT sits at the drum kit.

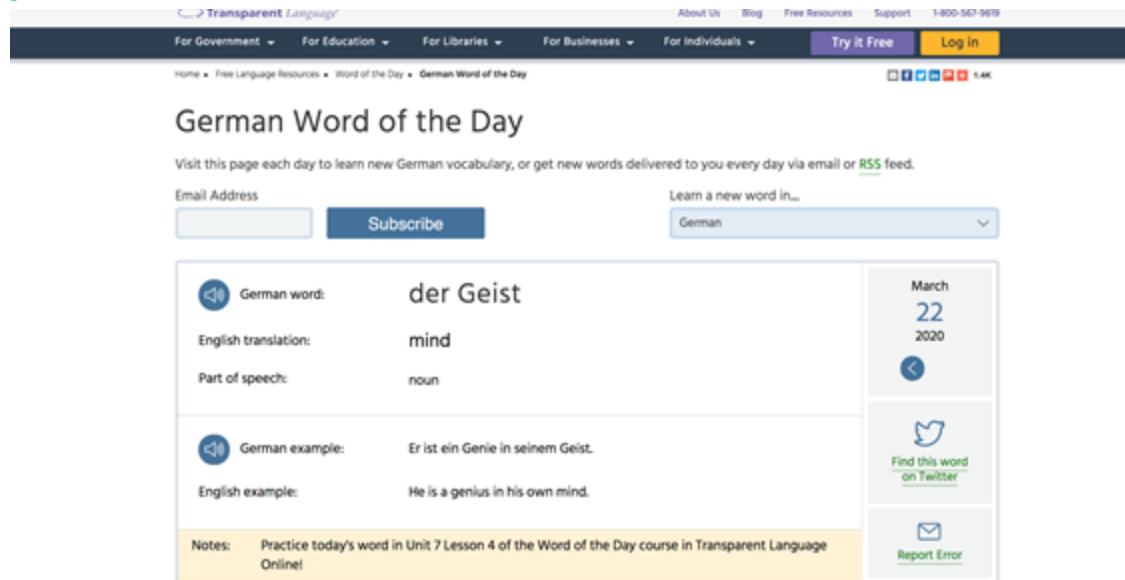

But AnnenMayKantereit have much more to offer than just an unusual band name. They formed in 2011 shortly after finishing high school together and in these first years primarily made one thing: street music. This experience impacted the trio so deeply that in 2013 they recorded and produced their first album, *AnnenMayKantereit*, single-handedly, not in a recording studio, but outside, in the open. The reason? AnnenMayKantereit wanted to capture their "street sound" as much as possible on the recording. "It was really important for us to record outside, because we always played outside. It was really nice to record the album while looking up at the sky."

The band acquired Germany-wide fame with its first single, *Wohin du gehst* (Wherever you go), in 2014. A club tour around Germany was followed by a summer marked with music festivals and a fall where

German – Online placement test levels A1 to B2

You already have some German language knowledge and would like to deepen it?

Well, why not use our online placement test then? Put you to online intensive classes or group courses we need to evaluate your exact German language level. The better we can assess your language level the better we can place the right offer to you.

The best thing to do is to start off with level A1. Please online write down your results or make a quick screenshot of them.

How do I take the test?

Every level exam has 20 questions.

- 0 to 10 right answers - You have not yet passed that level and should repeat it.
- 11 to 15 right answers - You can either take a course of the next higher level or take the next level exam.
- The goal is when you stop getting the required amount of right answers points to the level you should be taking in your course.

Castles for Sale in Germany

<https://www.castlelist.com/german-castles-for-sale>

There are about 25,000 castles dotting the landscape in Germany alone.

Inconceivable!

Almost all of these were built before Germany was a country--when it consisted of several kingdoms, principalities, duchies, fiefdoms and other small areas with feudal rulers. Since Germany has been inhabited for thousands of years and rulers like to show off their power and wealth, there are many ancient castles scattered around the country. Practically every city, town, village and hamlet has one or many.

Visit this website, choose a castle that you would buy, and write a summary about what you learned about it.

Deutsch im Blick

<https://coerll.utexas.edu/dib/index.php>

An entire first-year German course from the University of Texas at Austin for free. Very well done, with a wealth of multimedia resources and activities.

BBC Languages <http://www.bbc.co.uk/languages/german/>

This old BBC (British Broadcasting Channel) website still works and is full of different ways to practice.

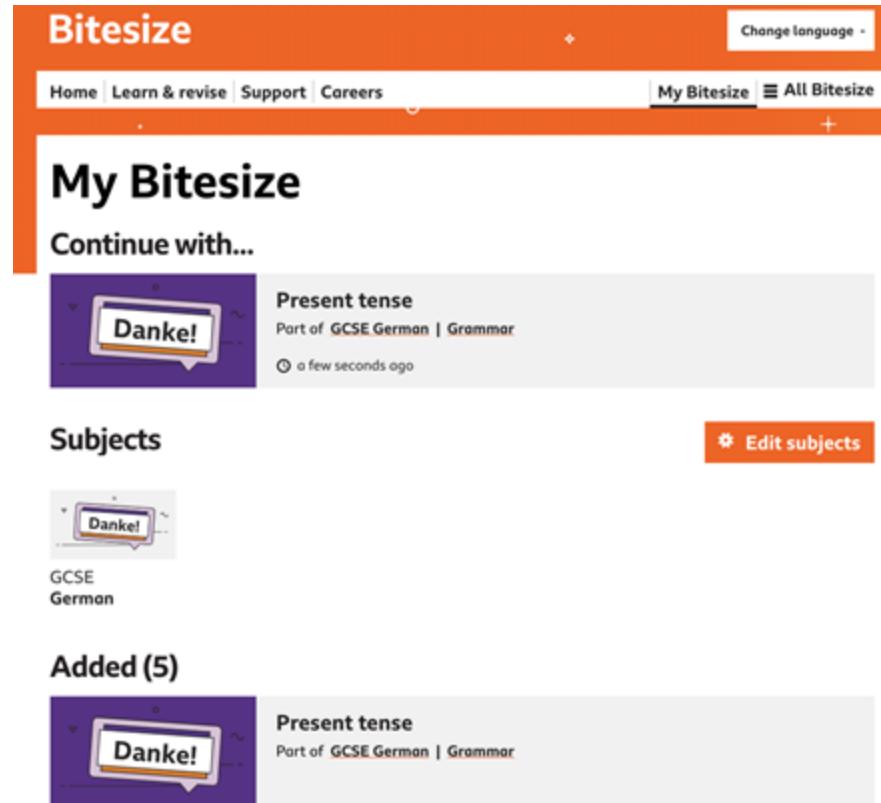

The screenshot shows the BBC Languages German homepage. At the top, there is a navigation bar with links for Sign in, News, Sport, Weather, iPlayer, TV, Radio, More..., and a Search bar. A message indicates that the page has been archived and is no longer updated, with a link to find out more about page archiving. The main title is "LANGUAGES GERMAN". Below the title, there are several sections: "The German language" (A Guide to German, featuring a keyboard with a German flag overlay), "BBC free lessons and courses online" (featuring a photo of two people in a classroom), "German classes and courses" (Find a German class close to you), "German phrases" (Holiday phrases, Listen, read, print out and download), "School German" (GCSE German Bitesize revision, featuring a cartoon notepad and pencil), "German for children" (The Lingo Show, From CBeebies, featuring a cartoon character), "Test your German" (Test your German, featuring a circular graphic), "German news, TV & radio" (Deutsche Welle: Learn German, ARD: Das Erste, ZDF: Zweites Deutsches Fernsehen, WDR: Westdeutscher Rundfunk), "German slang" (Guide to streetwise German), and "Formula 1 German" (ARD: Nico Hülkenberg, share racing phrases, Then try our F1-themed quiz). Each section includes a small thumbnail image and a brief description.

BBC Bitesize

<https://www.bbc.co.uk/bitesize>

This is a website for kids in England to get extra practice for their final exams that they take at the end of high school. Register yourself for German!

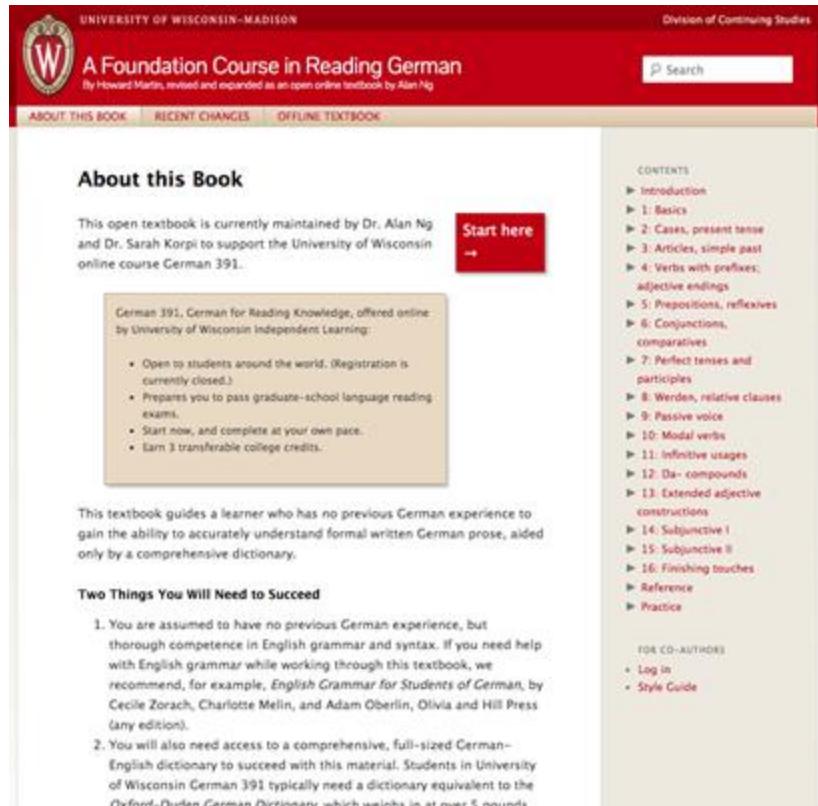

The screenshot shows the BBC Bitesize 'My Bitesize' dashboard. At the top, there is a navigation bar with links for 'Home', 'Learn & revise', 'Support', 'Careers', 'Change language', 'My Bitesize', and 'All Bitesize'. The main title 'My Bitesize' is displayed prominently. Below it, a section titled 'Continue with...' shows a card for 'Present tense' (Part of GCSE German | Grammar, updated a few seconds ago). A 'Subjects' section lists 'GCSE German' with an 'Edit subjects' button. Another card for 'Present tense' (Part of GCSE German | Grammar) is shown under the 'Added (5)' section.

UW-Madison A Foundation Course in Reading German

<https://courses.dcs.wisc.edu/wp/readinggerman/>

This is an entire German course from the University of Wisconsin-Madison for free. It is to prepare graduate students to test a reading test in German. Lots of information about how the German language works.

The screenshot shows the homepage of the 'A Foundation Course in Reading German' website. The header features the University of Wisconsin-Madison logo and the text 'A Foundation Course in Reading German' by Howard Martin, revised and expanded as an open online textbook by Alan Ng. A search bar and a 'Division of Continuing Studies' link are also in the header. The main content area has a red background. It includes a section titled 'About this Book' with a 'Start here' button, a box describing the course as 'German 391, German for Reading Knowledge, offered online by University of Wisconsin Independent Learning', and a list of features. Below this is a section titled 'Two Things You Will Need to Succeed' with two numbered points. The right sidebar contains a 'CONTENTS' list with 16 numbered items from 'Introduction' to 'Practice', and links for 'TOP CO-AUTHORS', 'Log in', and 'Style Guide'.

UNIVERSITY OF WISCONSIN-MADISON

Division of Continuing Studies

A Foundation Course in Reading German
By Howard Martin, revised and expanded as an open online textbook by Alan Ng

ABOUT THIS BOOK RECENT CHANGES OFFLINE TEXTBOOK

About this Book

This open textbook is currently maintained by Dr. Alan Ng and Dr. Sarah Korpi to support the University of Wisconsin online course German 391.

Start here

German 391, German for Reading Knowledge, offered online by University of Wisconsin Independent Learning:

- Open to students around the world. (Registration is currently closed.)
- Prepares you to pass graduate-school language reading exams.
- Start now, and complete at your own pace.
- Earn 3 transferable college credits.

This textbook guides a learner who has no previous German experience to gain the ability to accurately understand formal written German prose, aided only by a comprehensive dictionary.

Two Things You Will Need to Succeed

1. You are assumed to have no previous German experience, but thorough competence in English grammar and syntax. If you need help with English grammar while working through this textbook, we recommend, for example, *English Grammar for Students of German*, by Cecile Zorach, Charlotte Melin, and Adam Oberlin, Olivia and Hill Press (any edition).
2. You will also need access to a comprehensive, full-sized German-English dictionary to succeed with this material. Students in University of Wisconsin German 391 typically need a dictionary equivalent to the *Oxford-Deutsche Dictionnaire*, which contains in at least 8 volumes

Games for Language

<https://www.gamesforlanguage.com/quick-language-games/category/German>

Simple, repetitive games for practicing everyday vocabulary and simple structures. You'll either find these annoying, or you'll like the quick review/lessons they provide. If you like the format, follow the instructions to register for a full course for free.

The screenshot shows the homepage of the Games for Language website. The header features the logo 'games for LANGUAGE' with a blue rocket ship icon. Below the logo is a navigation bar with links: HOME, PLAY COURSES, OUR BLOG, NEWS, QUICK GAMES (which is highlighted in a brown box), DICTIONARY, and PODCASTS. The main content area is titled 'German Quick Language Games' and lists various German phrases for practice: 'Jetzt sollten wir...', 'Ja gerne!', 'Ich freue mich', 'Ich suche...', 'Ist hier noch frei?', 'Wann fährt ...?', 'On the phone', 'Einen Kaffee bitte', 'Kommst du mit?', 'ein eine einen', 'Wie komme ich?', 'Keine Schule', 'Eine gute Idee', and 'Verb: lesen'. To the right of this list is a 'RECENT GAMES' sidebar with links to other language games in German, Spanish, English, Italian, French, and Spanish. At the bottom right, there is a red text block that reads: 'Take a Break and practice playfully with Gamesforlanguage's Quick Language Games'.

Learn with Oliver

<https://www.learnwitholiver.com/german/>

A learning language program very similar to Duolingo. If you like Duolingo, but you have gotten a little bored with it, try this one instead.

The screenshot shows the LearnWithOliver website interface. At the top, there is a navigation bar with a logo, the text "GERMAN", "Menu", "1.6%", a search bar, and links for "AWL: Main List" and "ASL: Main List". Below the navigation bar is a large, stylized bird logo with pink, blue, and black feathers. To the right of the logo, the word "weite" is displayed with its definition "weit verbreitet" (widely spread) and a "Play Sound" button. Below this, there is a "Keep Word" button and a note: "click "Keep Word" to learn this word or choose one of the buttons below. [Help]". At the bottom of the interface, there are buttons for "Remove Word", "Mark Known", and "Block Word". The main content area features the text "LearnWithOliver" and a "Related Words:" section. The "Related Words:" section lists "weit" with its definition "1. far 2. wide 3. extensive" and an example "Here: far, wide, extensive". To the right of this section are buttons for "Add", "[All Lists]", "Very Basic", "Show Details", "Play Sound", and "[6 Examples]". At the bottom of the page, there is a link "Autoload every: 3s 5s 7s 10s 30s 1m".
