Hallo Deutschschule - Zürich

<https://www.youtube.com/channel/UC5ZnpdkQlit8TV>
<https://hallodeutschschule.ch/>

What a fun way to practice Structures! Pick some grammar that you need to practice and find the matching dialog. Practice along with the video 2 or 3 times.

The screenshot shows the YouTube channel page for 'Hallo Deutschschule'. At the top, there's a search bar with 'deutsch extra' and a magnifying glass icon. Below the search bar is a banner with the text 'Deutsch lernen mit Dialogen' and 'Jeden Sonntag neue Videos!'. The banner features several cartoon characters: two chefs, a woman pointing, a boy with a soccer ball, and a girl running. To the right of the banner is a cartoon character holding a video camera. Below the banner, the channel name 'Hallo Deutschschule' is displayed with a circular logo and '414K subscribers'. Underneath the channel name are tabs for 'HOME', 'VIDEOS', 'PLAYLISTS', 'COMMUNITY', 'CHANNELS', and 'ABOUT'. The 'HOME' tab is selected. Below the tabs, there's a video thumbnail showing a woman in a car with a speech bubble that says 'Ich suche eine Tankstelle.' and a video player interface with a '14:29' duration. To the right of the video, the title 'Learn German A2, B1 / indirect questions / dative personal pronouns / give directions / justify' is shown, followed by 'Hallo Deutschschule • 425K views • 3 months ago'. Below the title, a description states: 'In this lesson you will learn the following grammar: indirect questions, Sentence structure when using the connector "weil", personal pronouns in the accusative and dative cases, irregular verb con...'. At the bottom, there's a 'CC' icon. Below the video player, there's a section for 'Uploads' with a 'PLAY ALL' button.

Red Berry Pudding with Vanilla Sauce

Rote Grütze mit Vanillesoße

In recent decades, this pudding went from an old-fashioned dessert to a culinary blockbuster. Although recipes vary greatly, almost all of them call for red currants, which are much more popular in Germany than in North America, where they can be difficult to find. The other fruits - raspberries, cherries, blackberries, strawberries, or blueberries - depend on the individual taste, but there is one rule of thumb: you should include at least one tart fruit. There are also several ways to top Rote Grütze: with vanilla sauce, whipped cream, cream, vanilla ice cream, cream of wheat/semolina pudding or just milk.

AnnenMayKantereit. Even if this band name sounds a bit complicated at first, it's actually really easy to explain its source: The pseudonym of these three musicians from Cologne results from putting the three band members' names together - Christopher ANNEN plays the guitar and harmonica, Henning MAY sings and plays the piano and Severin KANTEREIT sits at the drum kit.

But AnnenMayKantereit have much more to offer than just an unusual band name. They formed in 2011 shortly after finishing high school together and in these first years primarily made one thing: street music. This experience impacted the trio so deeply that in 2013 they recorded and produced their first album, *AnnenMayKantereit*, single-handedly, not in a recording studio, but outside, in the open. The reason? AnnenMayKantereit wanted to capture their "street sound" as much as possible on the recording. "It was really important for us to record outside, because we always played outside. It was really nice to record the album while looking up at the sky."

The band acquired Germany-wide fame with its first single, *Wohin du gehst* (Wherever you go), in 2014. A club tour around Germany was followed by a summer packed with music festivals and a fall where

German – Online placement test levels A1 to B2

You already have some German language knowledge and would like to deepen it?

Well, why not use our free online placement test then? For you to enter intensive classes or group courses we need to establish your exact German language level. The better we can assess your language level the better we can place the right offer to you.

The best thing to do is to start off with level A1.1. Please either write down your results or make a quick screenshot of them.

How do I take the test?

Every level exam has 18 questions.

- 0 to 12 right answers - You have not yet passed that level and should repeat it.
- 13 to 18 right answers - You can either take a course at the next higher level or take the next level exam.
- The level in which you stop getting the required amount of right answers points to the level you should be taking in your course.

Castles for Sale in Germany

<https://www.castleist.com/german-castles-for-sale>

There are about 25,000 castles dotting the landscape in Germany alone.

Inconceivable!

Almost all of these were built before Germany was a country--when it consisted of several kingdoms, principalities, duchies, fiefdoms and other small areas with feudal rulers. Since Germany has been inhabited for thousands of years and rulers like to show off their power and wealth, there are many ancient castles scattered around the country. Practically every city, town, village and hamlet has one or many.

Visit this website, choose a castle that you would buy, and write a summary about what you learned about it.

German Word Games

Try out our online word games below, made to help you improve your vocabulary in German. Apart from making learning more interesting, the games also keep track of the points you earn when you get words right, so you can see your progress on the Knowledge Map, Statistics and Rankings pages. Each game will score differently depending on how well you need to know the word to get it right in the game. The maximum you can score for a word is 10 points when playing the Test option of the Flash Cards game, which shows you know the word and how to spell it.

Hangman

Play Hangman as an easier introduction to new words in German while becoming familiar with their spelling. The online Hangman game here gives you more and more advanced words once you show you know the more basic words by getting them right.

Flash Cards

This online learning tool features a traditional flash card drill as well as a multiple choice game to start out learning new words, and a Test option which asks you to type the word in, thereby testing you know the word and know how to spell it, getting them right shows you really know the word and earns you the best score for a word.

Crosswords

Crosswords are an additive way to learn new words and challenge your current vocabulary. You can play our crosswords online or print them out. There are various game options apart from the standard crossword, such as scrambled words and an easy one-click word selection option.

Deutsch im Blick

<https://coerll.utexas.edu/dib/index.php>

An entire first-year German course from the University of Texas at Austin for free. Very well done, with a wealth of multimedia resources and activities.

The screenshot shows the homepage of the 'Deutsch im Blick' website. At the top, there is a banner image of a European street scene with the title 'Deutsch im Blick' and a 'Like Us On facebook' button. Below the banner is a navigation menu with links: Home, Intro, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, Teacher, Site Index, Icons, Credits. The main content area features a section for purchasing the textbook, 'Deutsch im Blick (2nd ed, 2017)', with a download link for course packets and a description of the textbook's content. Below this is a grid of ten chapter thumbnails, each with a title, a representative image, and a brief description. The chapters are: Kapitel Eins (Willkommen in Würzburg), Kapitel Zwei (An der Uni), Kapitel Drei (Der Alltag und das Studentenleben), Kapitel Vier (Freizeit und Ausgehen), Kapitel Fünf (Familie, Feste und Feierlage), Kapitel Sechs (Durch Deutschland und die Welt reisen), Kapitel Sieben (Gesundheit & Fitness), Kapitel Acht (Das Traumleben: Beziehungen, Wohnen und die Karriere), Kapitel Neun (Was ist deutsch?), and Kapitel Zehn (Auf nach Berlin!). At the bottom, there is a footer with the COERLL logo and the text 'COERLL • Germanic Studies • UT Austin • Kontakt'.

BBC Languages <http://www.bbc.co.uk/languages/german/>

This old BBC (British Broadcasting Channel) website still works and is full of different ways to practice.

The screenshot shows the BBC Languages German website. At the top is a navigation bar with links for Sign in, News, Sport, Weather, iPlayer, TV, Radio, and More..., along with a search box. Below this is an archived notice: "This page has been archived and is no longer updated. Find out more about page archiving." The main header reads "LANGUAGES GERMAN" with decorative icons. The content is organized into several columns:

- The German language**: Includes "A Guide to German" (Facts, essential phrases plus the German alphabet) and "Henning Wehn" (The stand-up comedian finds out what's so funny about German).
- School German**: Features "GCSE German Bitesize revision".
- German for children**: Includes "The Lingo Show" (From CBeebies).
- Test your German**: Features a "Test your German" section with a speedometer graphic.
- BBC free lessons and courses online**: Includes a video of two people in a street, "Online lessons with audio, games, vocabulary, grammar explanations and exercises", and "For beginners" with "Talk German" online video tutorials.
- German news, TV & radio**: Includes "Deutsche Welle: Learn German" (From Germany's international network, including slow news with transcripts), "ARD: Das Erste" (Germany's first channel and its iPlayer Mediathek, including some programmes with subtitles and news from Tagesschau), "ZDF: Zweites Deutsches Fernsehen" (Germany's second channel), and "WDR: Westdeutscher Rundfunk" (Videos with subtitles, mit Untertiteln).
- German classes and courses**: Includes "Find a German class close to you", "German phrases" (Holiday phrases: Listen, read, print out and download), and "German slang" (Guide to streetwise German).
- Formula 1 German**: Includes a photo of Nico Hülkenberg and text: "Watch F1 driver Nico Hülkenberg share racing phrases. Then try our F1-themed quiz".

About this Book

This open textbook is currently maintained by Dr. Alan Ng and Dr. Sarah Korpi to support the University of Wisconsin online course German 391.

Start here →

German 391, German for Reading Knowledge, offered online by University of Wisconsin Independent Learning:

- Open to students around the world. (Registration is currently closed.)
- Prepares you to pass graduate-school language reading exams.
- Start now, and complete at your own pace.
- Earn 3 transferable college credits.

This textbook guides a learner who has no previous German experience to gain the ability to accurately understand formal written German prose, aided only by a comprehensive dictionary.

Two Things You Will Need to Succeed

1. You are assumed to have no previous German experience, but thorough competence in English grammar and syntax. If you need help with English grammar while working through this textbook, we recommend, for example, *English Grammar for Students of German*, by Cecile Zorach, Charlotte Melin, and Adam Oberlin, Olivia and Hill Press (any edition).
2. You will also need access to a comprehensive, full-sized German-English dictionary to succeed with this material. Students in University of Wisconsin German 391 typically need a dictionary equivalent to the *Oxford-Duden German Dictionary* which weighs in at over 5 pounds.

Games for Language

<https://www.gamesforlanguage.com/quick-language-games/category/German>

Simple, repetitive games for practicing everyday vocabulary and simple structures. You'll either find these annoying, or you'll like the quick review/lessons they provide. If you like the format, follow the instructions to register for a full course for free.

The screenshot shows the homepage of the 'games for LANGUAGE' website. The header features the logo and a navigation bar with links: HOME, PLAY COURSES, OUR BLOG, NEWS, QUICK GAMES (highlighted), DICTIONARY, and PODCASTS. The main content area is titled 'German Quick Language Games' and lists various practice exercises in German, such as 'Practice "können"', 'Jetzt sollten wir...', 'Ja gerne!', 'Ich freue mich', 'Ich suche...', 'Ist hier noch frei?', 'Wann fährt ...?', 'On the phone', 'Einen Kaffee bitte', 'Kommst du mit?', 'ein eine einen', 'Wie komme ich?', 'Keine Schule', 'Eine gute Idee', and 'Verb: lesen'. On the right side, there is a 'RECENT GAMES' section listing recent game entries for German, Spanish, English, Italian, and French. At the bottom right, there is a red call-to-action: 'Take a Break and practice playfully with Gamesforlanguage's Quick Language Games'.

Online-Aufgaben und Übungen

Online-Übungen

Hier finden Sie eine Sammlung von unterschiedlichen Übungen, die direkt im Internet auszuführen sind. Sie erweitern das Angebot zu unseren Lehrwerken. Der progressive Charakter der Aufgaben ist anhand der Einordnung in jeweiligen Kapitel gut zu erkennen. Selbstverständlich kann jeder Lernende entsprechend seinem Sprachniveau mit dem Üben beginnen.

Die Übungen sind abwechslungsreich und übersichtlich aufgebaut. Die Fertigkeiten Hören, Schreiben und Lesen werden ausführlich trainiert. Die Lernenden füllen Lückentexte aus, ordnen Texte zu, üben im Multiple-Choice-Verfahren oder schreiben frei. Die Online-Übungen sind gut als Ergänzung zum Unterricht geeignet; der Lehrer kann individuell auf den Lernenden zugeschnittene Übungsaufträge vergeben. Natürlich kann mit den angebotenen Übungen auch gezielt im Selbststudium gearbeitet werden. Alle Übungen können schnell und unkompliziert vom Lernenden selbst auf Korrektheit der gefundenen Lösungen ausgewertet werden.

Die Übungen sind auch als PDF-Dateien verfügbar (siehe Link am Ende der jeweiligen Übungen).

▶ Im Menü auf der linken Seite können Sie eine detaillierte Auswahl treffen.

Arbeitsblätter

Sie finden hier Arbeitsblätter im PDF-Format zu den Lehrwerken aus dem SCHUBERT-Verlag. Die meisten Arbeitsblätter sind als Beispiele aus den Lehrerhandbüchern entnommen und in erster Linie für den Lehrer gedacht. Deshalb werden dazu hier auch keine Lösungsblätter angeboten. Die Aufgaben können vom Lehrer ausgedruckt und direkt im Unterricht eingesetzt werden. Viele Übungen sind auch lehrerunabhängig nutzbar.

Deutsch to Go has Over 470 audio texts are already online: overview of all texts (pdf) The texts come in three levels of difficulty: easy - medium - difficult Learning with our materials is free.

The screenshot shows the homepage of the Deutsch-to-Go website. At the top, there is a logo consisting of a yellow speech bubble with a semicolon and a minus sign, followed by the text "DEUTSCH-TO-GO.DE". Below the logo, the text "Ein bisschen Deutsch hören und verstehen ..." and "Hörtexte für Deutschlerner" is displayed. A list of bullet points provides information about the available audio texts, including a link to an overview of all texts and a link to a survey. The date "14. April 2020" is shown. On the right side, there is a section titled "JEDE WOCHE 2 NEUE HÖRTEXTE!" and "FÜR ALLE SCHWIERIGKEITSTUFEN". Below this, there are three speech bubbles labeled A, B, and C, representing different difficulty levels. At the bottom, there is a search bar with the text "Suche" and a section titled "KATEGORIEN".
